- The dominant colors of this website will be Blue Red and Black with an image of a brick wall in the back ground.
- The Nav Bar text will look like a neon sign
- The Calendar Page will have an interactive Calendar in a table with clickable links for each showtime of each day.
- The links will prompt a picture of the act to show up on the sidelead to a description of the Act on Eric's "lineup" page
- There will also be a link to the ticketing site
